

BUILDING WITH EXPERIENCE

To Whom it may concern

9th March 2012

Tagg Painting Limited

Tagg Painting have successfully completed a series of new build housing sites for us, these include;

Mill Road, Westbourne, West Sussex
Hammer Hill, Linchmere West Sussex
Coombe Crescent, Bury, West Sussex

Their finished works have always been of an excellent quality, carried out in a professional manner and resourced to meet our programme requirements. Tagg Painting Ltd is very competitively priced, co-operative and co-ordinate with the other trades well.

We would have no hesitation in recommending them for any works.

Yours faithfully

Nigel Kirk
