To whom it may concern,

Re: Derek M. Tagg & Son Ltd, 28 St. Georges Road, Cosham, Portsmouth, Hampshire.

Derek M. Tagg & Son have successfully completed approximately seven new J Sainsbury Store developments, which include Sainsbury's Homebase and Sainsbury's Savacentre, with ourselves as Construction Manager. These include:

- J Sainsbury & Homebase Farlington, Portsmouth
- J Sainsbury Apsley Mill, Hemel Hempstead
- Sainsburys Savacentre Beckton
- J Sainsbury Chichester re-build
- J Sainsbury Newhaven
- J Sainsbury Newbury
- J Sainsbury Banbury

There finished works have always been of an excellent quality, carried out in a professional manner and resourced to meet our programme requirements. Derek M. Tagg & Son are very competitively priced, co-operative and co-ordinate with other trades well. We would have no hesitation in recommending them for any works.
