For the attention of John Tagg

Dear John

Re.: 134 Bed, HMS Excellent, Portsmouth

May I take this opportunity in thanking your company's approach and commitment toward the successful completion, on time, of 134-Bed SLA and Public rooms at HMS Excellent.

This Client's team are delighted with the facilities and living accommodation, which was re-iterated in the hand-over board.

Some words received from the project sponsor at the Royal Naval Estates Organisation:

'The level of commitment, professionalism and genuine co-operation from the Mansell staff throughout the entire programme, together with members of your 2nd tier supply chain, have made the project an extremely enjoyable event to be associated with.'

As part of Mansell's valued supply chain on the project we again extend our gratitude to your team's hard work and commitment throughout the contract, which has not gone unnoticed by Mansell or our client.

We are sure you will pass on this recognition to all those involved and we look forward to working with your company again in the future.

Yours sincerely

Robert Brown
